

The Lakes

SOUTH MORANG COLLEGE

November, 2022

Dear Parent/Carers,

The Lakes South Morang College is looking forward to another great year of teaching and learning programs in 2023. The voluntary financial contributions next year are enclosed.

Schools provide students with free instruction to fulfil the standard curriculum requirements and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing financial support of our families ensures that our school can offer the best possible education and support for our students.

The Lakes South Morang College, School Council and its Finance Committee work closely with the Leadership Team to set recommended student fees that met the budgetary requirements of the school. Within our school this support has allowed us to offer and ensure the provision of student wellbeing and support programs, major and minor upgrades to buildings and grounds and classroom technology. This is made available for the benefit and enjoyment of your children.

Within our school this support has allowed us to

- Offer a wide range of subjects and special curriculum experiences for our students across all year levels
- Provide enhanced digital learning opportunities to increase student engagement and participation
- Provide literacy and numeracy enrichment and extension programs
- Provide extra curriculum opportunities to extend learning beyond the classroom.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Bill Panas
