PRINCIPAL REPORT

MARCUS ABNEY-HASTINGS
PRIMARY CAMPUS PRINCIPAL

Dear Lakes families,

First and foremost, I want to express my gratitude to each and every one of you for your continued support and commitment to the success of our students at The Lakes. It takes a village to raise children and we continue to be fortunate to have strong partnerships with our families.

As a school, we have been really impressed with the way our students have started the school year. We have had a special focus on Respect, and this is highly visible across the College. The way our students are lining up, greeting each other, looking after each other and setting up for success each day will really set the scene for a rewarding year ahead. Our staff have been working diligently to provide enriching and engaging educational experiences for all our students, empowering them to reach their full potential.

A very special welcome to all our new Prep and Year 7 students and to our new families. The Prep team is ready and excited for a great year ahead, full of curiosity, new connections and challenges. A big thank you to our Prep and Year 7 team who were able to deliver a best practice transition program throughout 2023 and into this year. This effort will certainly have a very positive impact on how our students have started school this year. We are honoured to share this educational journey with our new families and look forward to working together in partnership for many years to come.

PRINCIPAL REPORT

2024 STUDENT LEADERSHIP TEAM

It was with great pleasure that I had the opportunity to fomally announce our 2024 Primary Campus Student Leaders at our first assembly of the year. Already these leaders have been busy meeting as a group, communicating with others and running whole campus assemblies.

Our School Captains have also attended our first School Council meeting last week and gave a summary on what has been happening on the Primary Campus to start the year.

Role	2024 Leaders
School Captains	Grace T, Tri Than L, Saanvi C &Vishal S
House Captains	Rafter: Amrit B & Sienna T Beachley: Taylah G & Angad S Jackson: Phoenix T & Anitej S Evans: Asha D & Sreekala N
STEM Captains	Yasmin F & Nathan E
ART Captains	Maddie RJ, Georgina M & Miriam M
Peer Mediators	Skye L, Nisa K, Naeema M, Lily G & Alex M
SRC	Year 1: William P & Matzo C Year 2: Stella V & Rocco N Year 3: Olivia S & Krish N Year 4: Neve L & Cohen V Year 5: Sophia & Kyle W Year 6: Selena G & Jacob D

PRIMARY HOURS 8.45AM – 3.45PM

I need to remind parents and carers that our official school opening for the Primary Campus are from 8.45am through until 3.45pm each day. At times we have students who arrive well before this time and some who stay in the school grounds after that time. There is no adult or teacher supervision of students outside of these times and I request that you make the appropriate arrangements to ensure the safety and well- being of your child.

We are fortunate to have Camp Australia available to provide before and after school care for those families that need it. Please contact them for more details.

SCHOOL UNIFORM

Our uniform dress code reinforces in students pride in their own appearance, instils recognition of themselves as an integral part of the school community, and assists in developing pride in representing their school. The uniform dress code aims to promote equality amongst all students. **This term as part of our wider focus on our value of RESPECT we are seeking your support to ensure that all students are dressed each and every day looking like a full member of our school community.**

We are lucky to have many uniform options, and I encourage any families having difficulties providing school uniform to contact the school so that we can assist.

If a student is not in school uniform as listed in our policy, families will be contacted as a reminder. We will then also follow up with families to help ensure and support our students to follow the policy.

Have a wonderful weekend.

SCHOOL COUNCIL REPORT

Hello all,

A very (belated) warm welcome to all our new families and returning families to The Lakes in 2024. Hope everyone has settled in OK – amazingly we are already halfway through Term 1!

For our new families, School Councils play an important part in Victorian schools and is made up of parent/carer representatives, teacher representatives, students and the Leadership Team. We are essentially the number one, leading parental voice of the school community and act as conduit regarding school issues between the parent/carer community and the College. Council meets twice per term on a Tuesday and visitors and observers are always welcome!

Our February meeting was our last meeting for the 2023/24 Council term. At this meeting we:

- *Heard about our College's 2023 VCE results and student 2024 pathways;*
- *Heard from both the Secondary and Primary School Captains and issues they have already identified for their peers including tweaking bell times on Secondary and vandalism to the newly refurbished Year 3-6 toilets.*
- *Discussed prioritising the air conditioning project in classrooms on both Campuses.*

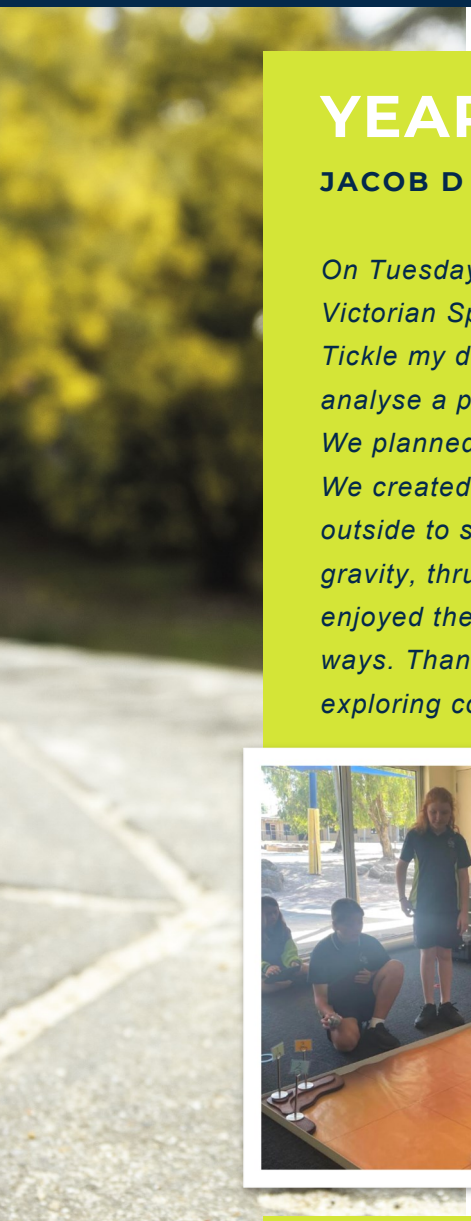
Our next meeting will be the AGM on March 19, where the results of the recent call for nominations will be announced and the new 2024/25 Council will be formed. A huge shout out to this term's parent/carer and staff members and observers for their time, dedication and enthusiasm, it has been a privilege to lead an aligned group, whose hearts are in the right place. It has certainly been a team effort and everyone has added value with varying perspectives and backgrounds.

As always, if you have any issues, ideas, questions that you would like raised at our next Council meeting, or any other support, we are more than happy to hear from families so please feel free to send me an email to amanda.farrelly@education.vic.gov.au.

Cheers,

Amanda Farrelly
School Council President

STUDENT PERSPECTIVE



YEAR 6 REFLECTION

JACOB D & SELINA G YEAR 6 SRC

On Tuesday 20th February, our Year 6 students were lucky enough to be a part of the Victorian Space Science Education Centre incursion called, "Reach for the stars & Tickle my drone." We learnt to control Sphero robots on Mars. We worked in teams to analyse a problem, design a solution and evaluate our success with our robots. We planned our robot's mission, deploying our robot on Mars for a special mission. We created rockets with plastic bottles and different materials and launched them outside to see how high they would go. We explored different types of forces such as gravity, thrust, lift and weight. We used air pressure and water to fuel the rockets. We enjoyed the incursion because we got to code, explore and experiment in different ways. Thanks to Ms Wilson for organising the incursion and we can't wait to continue exploring coding in Digital Design and STEM.

YEAR 7 REFLECTION

BERTRAND N & JAHMIN S YEAR 7 SRC

The Year 7's have settled into Secondary School well. We are enjoying our classes and getting to know the secondary teachers. It was exciting getting our own lockers that we have the responsibility to look after and also changing classes and classrooms each session. The thing we have most enjoyed about the Secondary Campus is having the canteen!

We are enjoying the new electives that are on the Secondary Campus. Some classes have started Dance and others have started Food Studies and it's been fun learning new things.

We are really excited for the upcoming camp to Philip Island where we are going away for 2 nights and 3 days. It will be so much fun.

Class of 2009-2023 reunion

The Lakes ALUMNI

What a pleasure it was to meet with the Alumni after so many years. Stories and laughter were shared with so many familiar faces to celebrate our journey here at The Lakes South Morang College and how far we have come throughout the years.

The event so nostalgic, felt like we were walking back into our home especially with being able to reunite with our teachers and peers who guided us throughout the years with wisdom, patience and compassion.

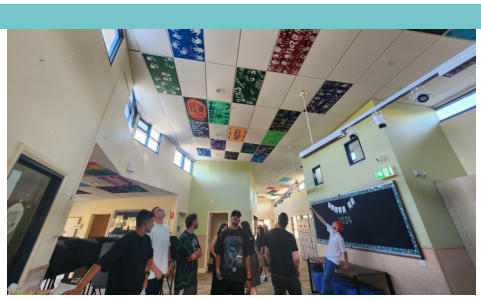
It became so evident as we shared where we are in our lives how much we have grown and utilised the skills that were instilled in us for so long.

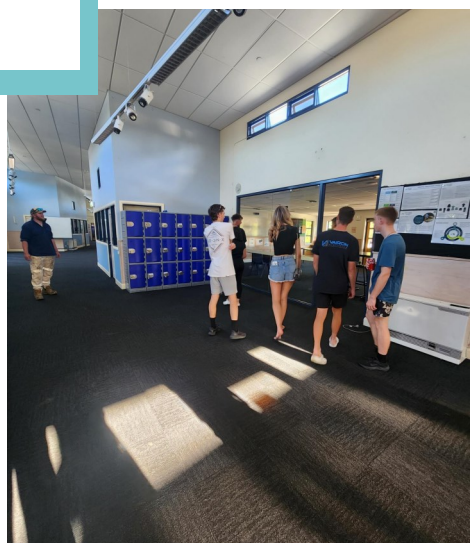
Not only was this event a chance for us to reminisce, but an opportunity to express out gratitude to the teachers who shaped us into the wonderful, thriving adults that we are today.

Thank you for the wonderful event and we cannot wait to meet again at our next alumni event.

Dee Audino
2014 Graduate

Please register to become a member of **The Lakes Alumni** so that we can keep you in the loop of upcoming events!





TEACHING & LEARNING

"Success is not how high you have climbed, but how you make a positive difference to the world." – Roy T. Bennett

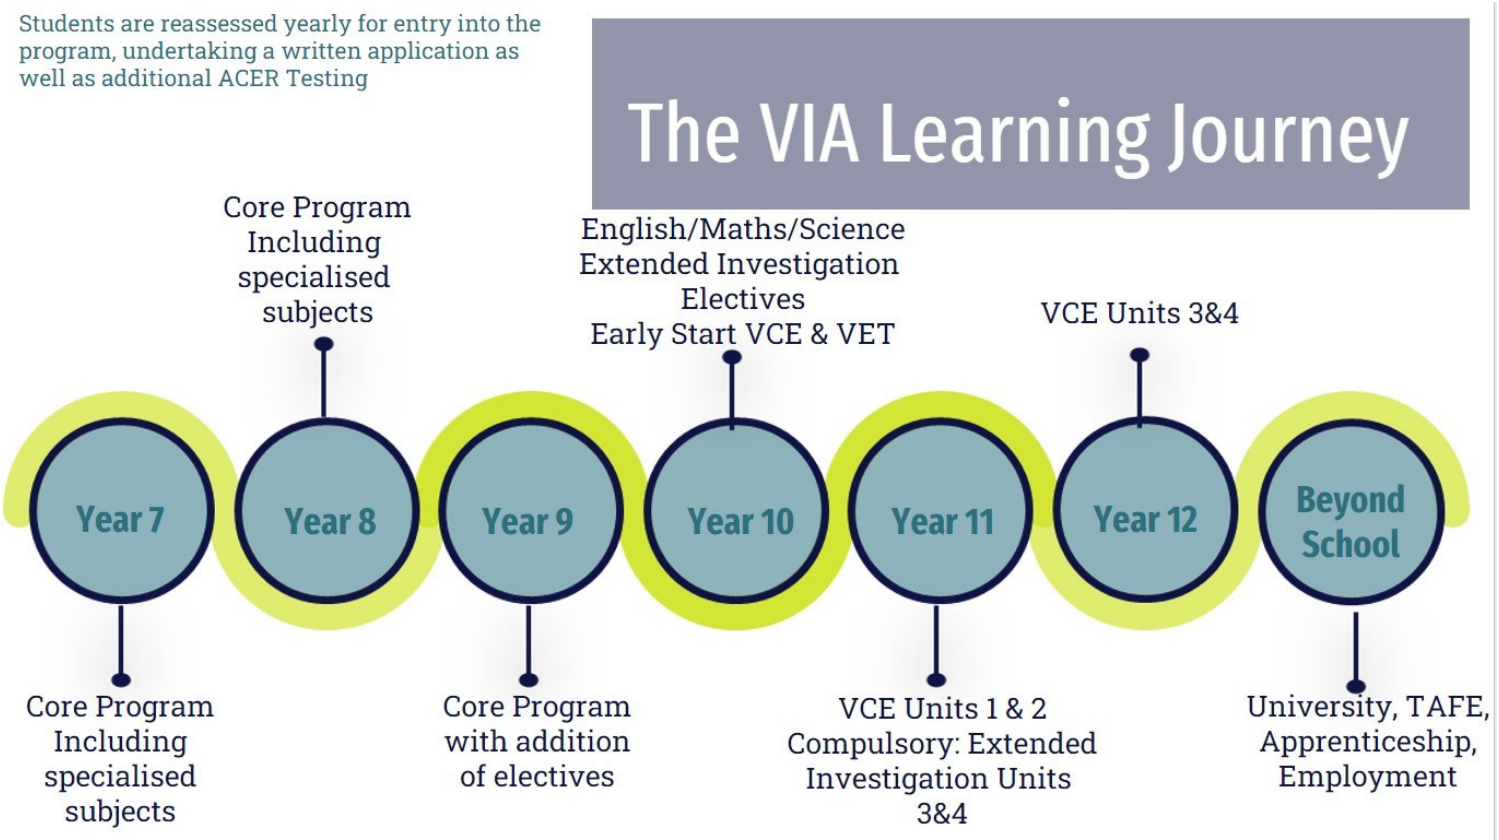
In 2021 The Lakes launched the VIA Program (Veritas;Truth, Innovate, Accelerate) with the first cohort of Year 7's to enter the program. Over the last 3 Years the program has expanded to run from Years 7 to 10, with 72 students across these year levels.

In 2023 we began the VIA Early Entry Program, where students in Years 5 and 6 are offered places in the program prior to the start of Year 7 based on academic performance in Semester 1 of the relevant year. Additionally five Year 6 students were awarded VIA Scholarships after AGAT Testing identified them as the strongest students across a range of disciplines including critical thinking, creativity and problem solving. These students had the choice of a Laptop computer with all accessories or full fee coverage for Curriculum charges from Years 7 to 9.

The aim of the VIA Program is to motivate and extend students by:

1. Providing access to a progressive, challenging and tailored curriculum
2. Addressing the individual academic needs of high achieving students in a range of areas
3. Incorporating a range of project based, self-directed learning programs to encourage the development of 21st century learning skills and competencies
4. Promoting and modelling the value of both independent and collaborative approaches to learning

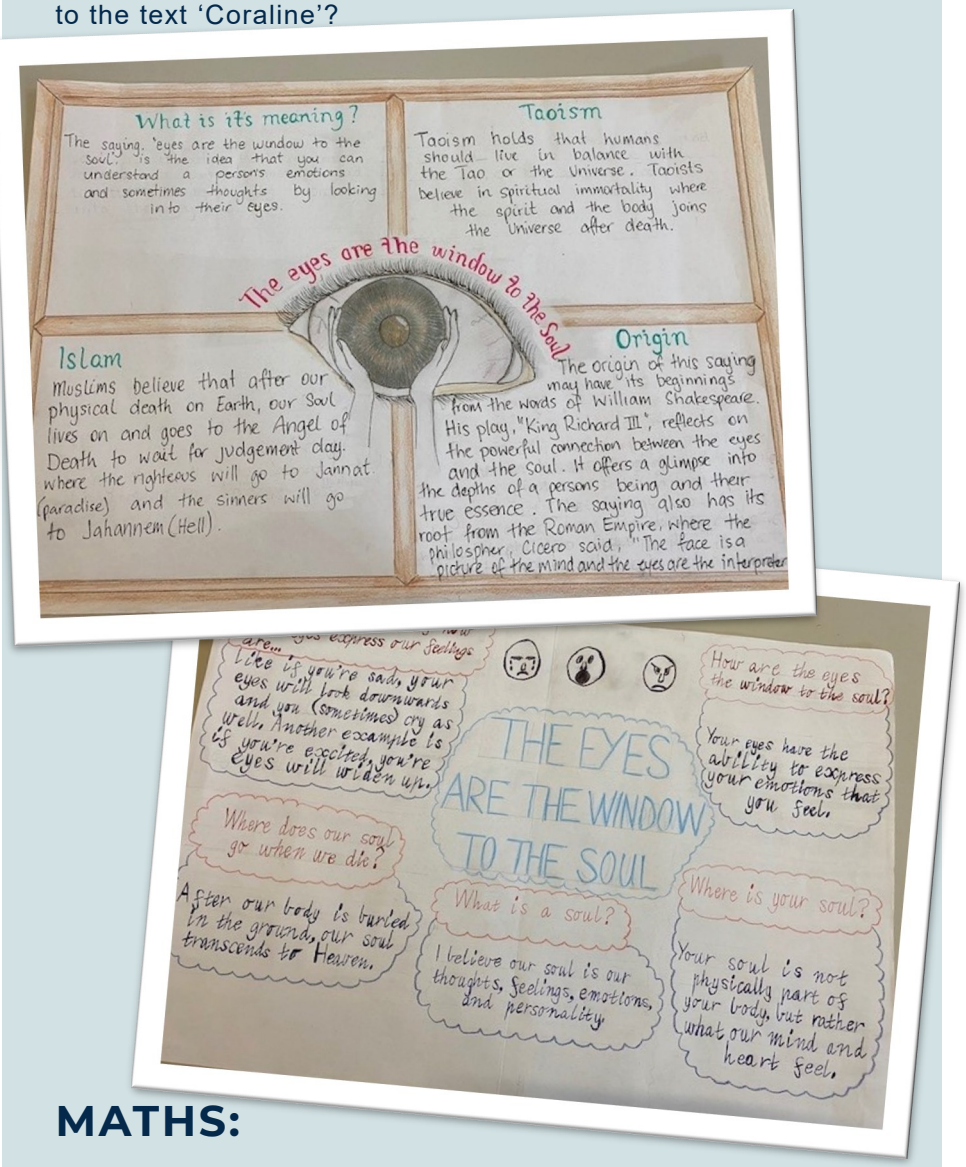
Students are reassessed yearly for entry into the program, undertaking a written application as well as additional ACER Testing



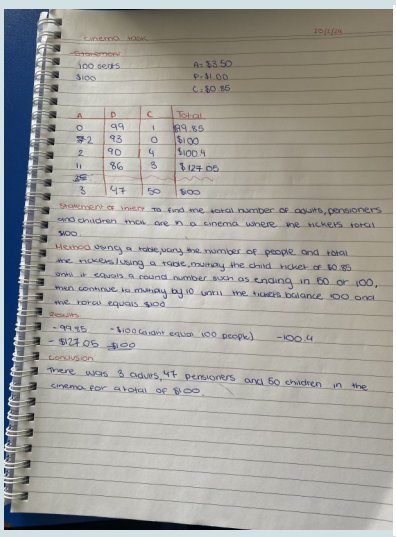
In 2024 VIA students have begun the year by engaging into diverse activities such as:

ENGLISH:

'The eyes are the window to the soul'. How does this relate to the text 'Coraline'?



MATHS:



Alison's cinema has 100 seats.
One day, Alison notices that her cinema is full, and she has taken exactly £100.

The prices were:

Adults £3.50
Pensioners £1.00
Children £0.85

She knows that not everyone in the audience was a pensioner.

How many adults, pensioners and children were present?

Can there be 100 people and takings of exactly £100 if the prices are:

Adults £4.00
Pensioners £1.00
Children £0.50

What if the prices are:

Adults £5.00
Pensioners £2.50
Children £0.50

Here are some questions you might like to consider:

- How many solutions are there for each set of prices?
- If I can find one solution, can I use it to help me find all the other solutions?
- Can you find alternative sets of prices that offer many solutions?
- What about exactly one solution?
- If a children's film has an audience of 3 children for every adult (no pensioners), how could the prices be set to take exactly £100 when all the seats are sold?
- What about a family film where adults, children and pensioners come along in the ratio 2:2:1?

KEY POINTS OF DIFFERENTIATION:

WHAT MAKES THE VIA PROGRAM AT THE LAKES DIFFERENT?

- Accelerated Academic Learning
- Explicit and continuous focus on the development of Creativity and Innovation
- Partnerships programs with external providers
- Possibility of identification (external) as a student applicant for Victorian High Ability Program (https://www.education.vic.gov.au/about/programs/Pages/student-excellence-program.aspx#link100)
- Consistent access to Victorian Challenge and Enrichment Program across a range of domain areas (https://arc.educationapps.vic.gov.au/eventhub/channels/VCES)
- Core Staff of highly qualified teachers, trained in practices directly related to supporting high-ability students.

We look forward to identifying further students throughout 2024 for offers of inclusion into the program in 2025 Year 7 and beyond. This program continues The Lakes commitment to providing high quality, engaging and challenging Learning Programs that meet the diverse needs of our learners.

Renee Short
Secondary Teaching & Learning

SPORTS SCOREBOARD

SECONDARY SPORTS

Our Year 9/10 interschool volleyball teams showcased exceptional teamwork and sportsmanship at the competition held at Diamond Valley Sports & Fitness Centre. Despite facing a challenging draw, our teams displayed resilience and determination throughout the matches.

With each serve, spike, and block, they exemplified the core values of our College – Leadership, Teamwork, and Respect. Although victory may have eluded us, the spirit and camaraderie exhibited by our players were truly commendable.

Well done to all involved.

PRIMARY INTERSCHOOL SPORTS

ROUND 1:

Last Friday our 5/6 sport students travelled to Wollert to play interschool sport. Again, another round of mixed results, with our basketballers remaining undefeated.

Basketball Girls won 20 - 0
Basketball Boys won 34 - 0
Soccer Boys lost 1 - 2
Soccer Girls lost 2-7
Cricket Boys won - 96 - 68
Cricket girls lost 44 - 66

PRIMARY HOCKEY CLINIC

Recently, the Year 1 to 5s participated in a Hockey Clinic where they were introduced to some basic hockey skills. They learnt how to correctly hold a hockey stick and use it to control the ball.

Here are some photos from the Year 3 sessions.

POLICY SPOTLIGHT

VISITORS POLICY

http://www.thelakes.edu.au/uploads/8/3/9/0/83901006/visitors_policy_2022.pdf

The Lakes strives to create an open and inclusive College community, and encourages parents and carers to be actively involved in their child's development and education. We also strive to foster strong partnerships with local community services, schools and other organisations.

From time to time, different members of the public may visit our College. Visitors may include, but are not limited to:

- Parents/carers
- Volunteers – see our College's Volunteers Policy for more information
- Prospective parents/carers, students and employees
- Invited speakers, sessional instructors and others addressing learning and development
- Public officials (e.g. Members of Parliament, local councillors)
- Persons conducting business e.g.: uniform suppliers, booksellers, official College photographers, commercial salespeople
- Tradespeople
- Children's services agencies
- Department of Families, Fairness and Housing workers
- Victoria Police
- Persons authorised to enter College premises (e.g. Worksafe inspectors, health officers etc)
- Other Department of Education and Training staff (including allied health staff) or contractors
- NDIS therapists or other allied health or health practitioners

All visitors to The Lakes are required to report to the Campus Administration office on arrival where the College's Child Safety Code of Conduct is available and visible to visitors when they sign in.

Policies are available to all families via the Sentral Portal (under Resources) or via our website **http://www.thelakes.edu.au/policies--reports.html**

The Lakes South Morang College **Newsletter**

COMPASS UPDATE

Students are starting to use Compass daily in classrooms; especially on the Secondary Campus. Learning Tasks, Lesson Plans, News, and multiple lines of communication are already on the Compass portal for students to access which will help students with their organisational skills and learning outcomes.

Parent/carer accounts on Compass are live and emails are being sent out weekly as a reminder to log in. We have had a great uptake of parents/carers already accessing the portal and viewing student Learning Tasks. We have photos and Learner Review meetings coming up which will all be accessed through Compass, as well as sporting events and excursions that you will be able to access, give permission and pay for all in one place.

Staff are working really hard to get Compass up and running so we have a seamless transition from Sentral at the end of Term 1.

If you are having any issues attempting to log in, please contact the office at either campus.

Make sure you have checked the Parent Guide to Compass.

Watch this space for future how-to and help sessions held on campus, guides and new features as we roll them out to families.

Family logins for Compass School Manager are being emailed to families this week.

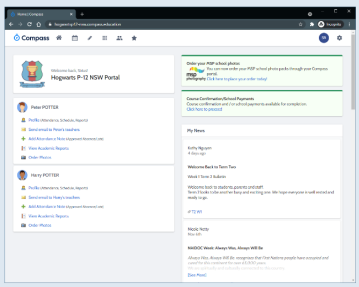
https://www.compass.education/compass-features/compass-for-parents

ORDERING SCHOOL PHOTOS ONLINE

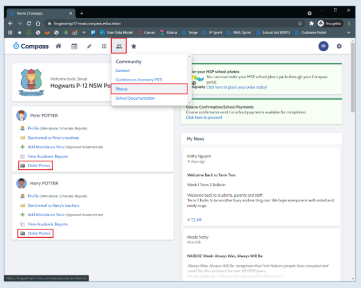
This year we are excited to offer families the ability to order and pay for their MPS Photography photos using the Compass School Manager Portal.

Use for family login details to order online.

1. In most cases a link to the ordering page will appear above the 'My News' section as shown in the picture on the right.



2. However, if the link does not appear above the "My News" section, please select to the community section identified by the two people icon as pictured to the right and select 'Photos'.



3. Once selected, you will navigate to the ordering portal as shown here.

HEALTH AND WELLBEING PROGRAM

YEAR 5

During 2024, Year 5 students will be engaging in a Health and Wellbeing program delivered by specialist Health and Wellbeing practitioners at The Lakes. The content of these sessions will see students learning about how to maintain their health and safety in regard to their minds and bodies—with a key focus on the changes and transitions experienced during puberty and the impact on friendships and mental wellbeing. The sessions will be held on the Secondary campus on a Friday session 3, after 5/6 sport throughout Term 2.

Students will complete 3 rotations:

- Friendships
- Relationships and Sexuality Education (physical changes of puberty)
- Young People Navigating Adolescence (social and emotional development during puberty)

Prior to the students' education sessions, The Lakes would like to offer parents/carers the opportunity to attend an online information session designed to provide insights into the curriculum and ways to support conversations and children on their physical, social and emotional journeys.

Learning intentions

Parents/carers will:

- Explore the importance of evidence-based, age- and developmentally appropriate Relationships and Sexuality Education (puberty).
- Identify links to the guidelines and principles of the Victorian Government in relation to health and education.
- Explore The Lakes student education program, including the opportunity to ask questions regarding the program.
- Identify methods of engaging in conversations with their child around friendships, puberty and mental health.
- Develop strategies for answering their child's questions with confidence.

SESSION DETAILS

Wednesday 20th March, 7:00-8:00pm, Online via Teams

Meeting ID: 484 420 138 319

The Lakes
SOUTH MORANG COLLEGE

Secondary School

(Year 7 -2025/26)

Information Session

Date: Tuesday April 23rd, 2024

Time: 4:30-5:30pm

Location: Secondary Campus Meeting Room

All Year 4, 5 and 6 students and families are invited to attend our Secondary School Information Session.

This session aims to provide students and families with the information they will need as they prepare for their transition into Secondary School.

The session will include information about the Year 6-7 Transition process, Junior & Senior Secondary information and The Lakes VIA program.

Visit our website for information about our programs and facilities www.thelakes.edu.au

The Lakes South Morang College Secondary Campus

80 Jardier Terrace, South Morang 3752 03 9401 3919 **www.thelakes.edu.au**

VaxApp

PARENTS GUIDE

Your School Immunisation Program is going digital

In 2023 your local council is moving to a simple digital system for our schools immunisation program.

This program, powered by VaxApp, will replace the paper consent card system that you may be familiar with from previous years. We'll capture a digital profile and consent for child/ren which covers their immunisations for the year.

No more paper floating around school bags!

How it works...

Booking Link 1

We'll send you a booking link or QR code which will take you straight to the VaxApp Parent Portal which is accessible on phone, tablet or computer.

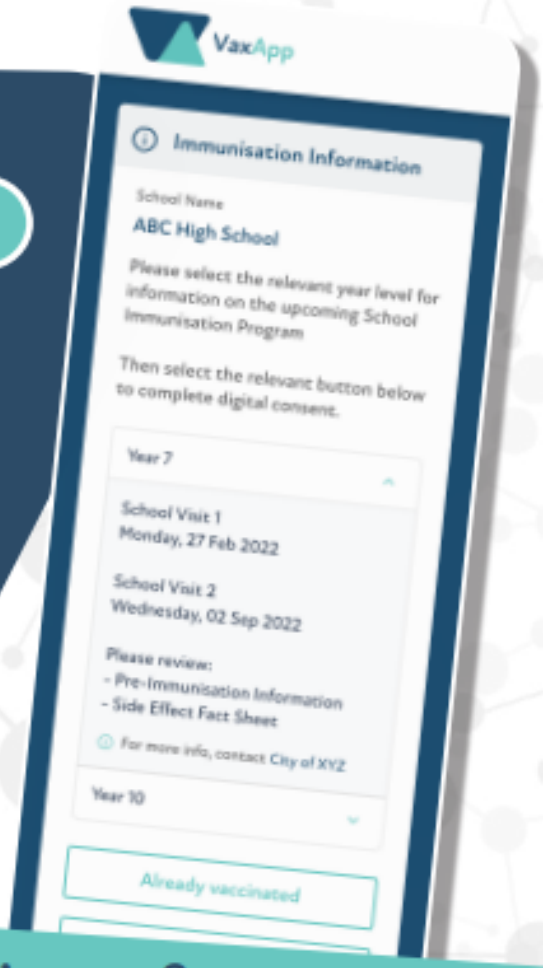
Parent Portal 2

Follow the prompts to create a VaxApp profile for your child, record their medical history and provide consent for the vaccines being administered for their year level. You can return to the portal at any time to confirm upcoming appointment dates or to withdraw consent.

Communication 3

You will receive email communication throughout the process which includes:

- booking confirmation and pre-immunisation information
- post-vaccination confirmation accompanied by a side effect fact sheet.



What's next?

During Term 1 we'll send you a secure link for the Parent Portal. Registration and consent should only take 5 minutes.

Reach out to the school if you have any issues accessing the portal or don't have access to an electronic device.

www.vaxapp.com.au

The Lakes
SOUTH MORANG COLLEGE

Senior School
(Year 10 2025)
Information Session

Date: Tuesday April 23rd, 2024

Time: 5:45-6:30pm

Location: Secondary Campus Meeting Room

All Year 9 students and families are invited to attend our Senior School Information Session.

This session aims to provide students and families with the information they will need as they prepare for their transition into Senior School.

The session will include

- Early-Entry VCE and VCE
- VCE-VM
- Early-Entry VET and VET

Visit our website for information about our programs and facilities www.thelakes.edu.au

The Lakes South Morang College Secondary Campus

80 Jardier Terrace, South Morang 3752 ☎ 03 9401 3919 **www.thelakes.edu.au**

COMMUNITY NOTICEBOARD

ATTENDANCE - EVERY DAY COUNTS

If you are aware that your child will not be attending school due to illness or other circumstances, please contact either office to ensure our attendance records are accurate.
Ways of communicating absences include:

- Placing a future Absence Request through the Parent SENTRAL Portal;
- Calling the office;
- Sending an SMS on 0427 226 537.

As required by the Department of Education, all schools must notify parents/carer informing that their child is absent. Please inform the office of absences before 10:00 am each morning.

NO HAT - NO PLAY

We will be enforcing our '**No Hat, No Play**' policy in Term 1 on the Primary Campus. Wide-brimmed hats (with the school logo), are available at the uniform shop.

BELONGINGS, AMBULANCE & INSURANCE

Private property brought to school by students, staff or visitors is not insured and the Department of Education does not accept any responsibility for any loss or damage.

Parents and carers are reminded that the Department of Education does not provide personal accident insurance or ambulance cover for students. Parents and carers of students who do not have student accident insurance/ ambulance cover are responsible for paying the cost of medical treatment for injured students, including the cost of ambulance attendance/ transport and any other transport costs.

CSEF (CAMPS, SPORTS & EXCURSIONS FUND)

The Camps, Sports and Excursions Fund helps eligible families to cover the costs of school trips, camps, and sporting activities.

If you have a valid means-tested concession card, such as a Veterans Affairs Gold Card, Centrelink Health Care Card or Pensioner Concession Card, or are a temporary foster parent, you may be eligible. There is also a special consideration category for asylum seeker and refugee families.

Payment amounts this year are $125 for eligible primary school students and $225 for eligible secondary school students. Payments are made direct to the school to use towards expenses relating to camps, excursions, and sporting activities for the benefit of your child.

It is important that funding made available in 2022 supports students to participate in school trips, camps, and sporting activities this year rather than being held for future years. This funding can also be used in conjunction with any funding accrued from previous years.

If you applied for CSEF through our school last year, you do not need to complete an application form this year, unless there has been a change in your family circumstances.

If you would like to apply for the first time, please contact the Primary Campus office on 9404 9000 or Secondary Campus office on 9401 39419 and ask for an application form.

You can also download the form, and find out more about the program and eligibility, on the Department of Education and Training's Camps, Sports and Excursions Fund web page.

Check with the school office if you are unsure, and please return completed forms to the school office as soon as possible.

Please call Karen on 9404 900 to discuss further, if you have a service or upcoming event you would like to promote through our Newsletter.

BIDDY BALL

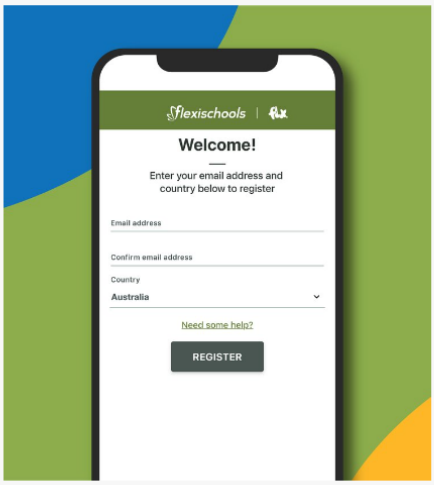
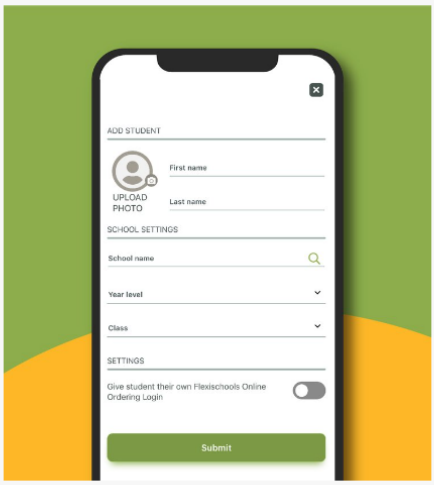
How to set up your Flexischools account





1. Download our app

The Flexischools app is the easiest way to place online lunch orders, buy school uniforms, and receive instant notifications from your school.

Available on the App Store

GET IT ON Google Play

2. Register

- Open the Flexischools App and click 'Register'.
- Submit your email address to create an account.
- Go to your inbox and open the registration email from Flexischools. Click on the link and follow the registration process.

3. Log in to your Flexischools account and enter your child's details

- Once your account is set up, log into the Flexischools App
- Select the 'Profile' icon on the navigation bar. Under 'Students', click 'Add new'. Enter your child's name, school, year level, and class. Click 'submit'.

We are always looking to build new or foster current connections within our community!

Please call Karen on 9404 900 to discuss further, if you have a service or upcoming event you would like to promote through our Newsletter.

To thrive, children need a safe and supportive environment at school, at home and in the broader community; no exceptions. At The Lakes South Morang College, we believe meeting the physical and emotional needs of our students is paramount in laying the foundations for a fulfilling future. We pledge to provide an environment that has zero tolerance to child abuse and will strive to work in partnership with our parents and community members to keep our students safe every day, in every way.
