Year 10

Please note that for some items on this Resource List, you can choose between a 'Digital Only' resource or a 'Print & Digital' bundle. These bundles include both the digital resource and a print book and are clearly labelled as 'Print & Digital' in the Online Ordering Portal. Please make sure you are certain before ordering, as digital resources cannot be returned, refunded, or exchanged if you change your mind.

RECOMMENDED

USB-C Power Bank for Student Notebooks

To help students keep their notebooks charged throughout the school day, we recommend families consider providing a **USB-C Power Bank**.

Why a Power Bank?

Due to **Occupational Health and Safety (OHS) guidelines**, students are **not permitted to use wall power outlets at school**. Power cords and chargers can create trip hazards in classrooms. A power bank offers a safe and portable way for students to recharge their devices if needed.

Recommended Specifications:

- **Minimum 65W USB-C Power Delivery (PD) output**
- **Capacity of 20,000mAh or higher**
- **USB-C to USB-C charging cable**

These specifications ensure compatibility with most modern student laptops and provide enough power for top-ups during the day.

Suggested Models (examples only):

- **Anker 737 Power Bank (PowerCore 24K, 140W)**
- **Baseus Blade 100W Power Bank (20,000mAh)**
- **ZMI PowerPack No. 20 (65W, 25,000mAh)**

These are available from electronics retailers and online stores.

Notes:

- This is **optional**, but highly recommended for students who use their devices regularly across the day.
- Power banks must be clearly labelled with the student's name.
- Students should fully charge their power bank at home and use it responsibly during school hours.

DANCE / DRAMA
